

OCTAVIA TEA POINT-OF-SALE SIGNS:

GENERAL SHELF SIGNS: Each sign measures 3.5 inches x 2 inches.

We recommend printing on a full sheet of glossy photo paper or high-quality card stock paper.

Octavia Tea offers 100% natural and Certified Organic Teas.
This means that no artificial ingredients are used and products are carefully monitored to ensure they are grown in pristine environments free from toxic chemicals, such as synthetic fertilizers, pesticides, fungicides or herbicides. Organic teas follow intensive quality and safety regulations and may contain more nutrients and antioxidants because of biologically active, fertile and healthier soil.
